TL Ultralight Aircraft Limited Warranty

TL Ultralight aircraft are warranted to be free from defects in materials or workmanship for one year or 100 flight hours, whichever comes first, from the initial retail customer purchase date. Initial retail customer purchase date is defined as the date of sale to the first retail purchaser of the aircraft from the TL Ultralight authorized dealer. Within this period, TL Ultralight will, at its sole option, repair or replace the airframe or its components that fail in normal use. Such repairs or replacements will be made at no charge to the customer for parts or labor, provided that the customer shall be responsible for delivery of the aircraft to the nearest TL Ultralight authorized dealer for warranty service.

The aircraft must be maintained in accordance with the Aircraft Maintenance Manual and Section 9 of the Aircraft Operating Instructions for the warranty to remain valid. This warranty does not cover shipping, transportation or failures due to abuse, misuse, accident or unauthorized alteration or repairs or damage due to normal wear. Coverage is also extended to commercial use when an operational and properly programmed TL Electronic aircraft management fatigue meter is installed in the aircraft.

Warranty is limited to the airframe and components and excludes instrumentation, avionics, engine, propeller, ballistic recovery parachute system, or any other components covered under separate warranty if any.

For aircraft purchased initially by Dealers for demonstration purposes, the full warranty may be extended at time of resale to the retail purchaser provided the aircraft has not exceeded 4 months or 40 hours, whichever ever comes first. In the event the Dealer demonstration period has been exceeded, the excess time will be deducted from the retail purchase warranty.

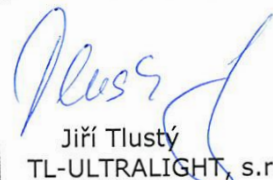

THE WARRANTIES AND REMEDIES CONTAINED HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES EXPRESS OR IMPLIED OR STATUTORY, INCLUDING ANY LIABILITY ARISING UNDER ANY WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, STATUTORY OR OTHERWISE.

IN NO EVENT SHALL TL ULTRALIGHT BE LIABLE FOR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, WHETHER RESULTING FROM THE USE, MISUSE OR INABILITY TO USE THIS PRODUCT OR FROM DEFECTS IN THE PRODUCT.

TL Ultralight, sro retains the exclusive right to repair or replace the airframe or its components at their discretion. SUCH REMEDY SHALL BE THE SOLE AND EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY.

To obtain warranty service, contact your local TL Ultralight aircraft authorized dealer for instructions.
